## **Certificate of No GPA System in Graduate Transcript**

To whom it may concern,

It is verified that graduate transcript of China University of Geosciences (Beijing) has no GPA system. Because graduate students select courses based on their supervisors' research fields, all graduate students' coursework plans are different. We don't evaluate graduate student academic performance by overall GPA system or average scores in percentile scale system.

Your kind cooperation rendered to the above student would be highly appreciated by us.
